TECHNICAL DATA SPECIFICATION

Rubber Colour Master Batch – Ultra Marine Blue 2350

General Information

Colour Index Name : C.I. Pigment Blue 29
C.I Number : 77007
Cas Number : 57455-37-5
Chem. Group : Azzurum

Product Description

Rubber Colour Master Batch- Ultra Marine Blue 2350 is a special Master Batch for Rubber and EVA with high colour strength and outstanding resistance to heat.

Physical & Chemical Properties

Density : 1, 51 g/cm³
Heat Resistance (Pigment) : 300 °C

Fastness and Resistance to bleed in solvents / reagents

Light fastness (Full Shade) : 8
Light fastness (Reduction) : 8
Acid Resistance : 3
Alkali Resistance : 5
Boiling Water : 4
Ethanol : 5
Xylene : 5
Ethyl Acetate : 5
Methyl Ethyl Ketone : 5

Guaranteed Storage Time : 12 months
